DEUTZ FAHR

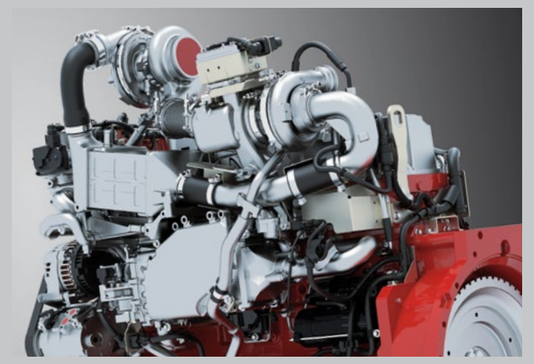

7250 TTV WARRIOR. TOUGHER THAN YOUR TOUGHEST DAY.

The new 7250 TTV WARRIOR is a special limited-edition model for the toughest jobs on field and road. Its mission is maximum productivity – with a brilliant black finish that reflects brilliant bottom-line figures. This visually striking tractor delivers 246 hp (181 kW) and features a range of trademark German characteristics: Top quality, precision engineering and reliability are all standard equipment. As is the cutting-edge technology that drives down costs while protecting the environment. Innovative and intelligent tractor technology ensures that the 7250 TTV WARRIOR makes the right statement about your professionalism – while you enjoy the exceptional comfort of the MaxiVision 2 cab. Intuitive controls, precision farming systems, innovative axle and brake system concepts, and attachment points for the heaviest equipment combinations round off a truly special edition package. No matter how tough the season gets, the 7250 TTV WARRIOR lets you get even tougher.

MaxiVision 2 cab with newly designed armrest and 8" or 12" iMonitor. Maximum comfort for maximum driving capacity.

246 hp (181 kW) Deutz engine: immediate response with a high starting torque and significant reserve torque with up to 5% less fuel and AdBlue consumption.

Optimum efficiency: continuously variable TTV transmission for a top speed of up to 60 km/h with a lower engine speed.

Hydraulic system output of up to 160 l/min, lifting capacity of 10,000 kg and four PTO speeds. Anything is possible.

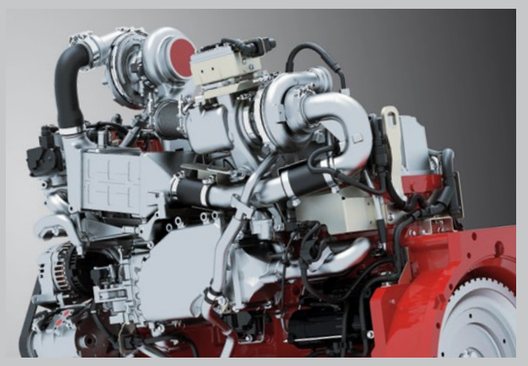

9340 TTV WARRIOR. HARDER THAN YOUR HARDEST JOB.

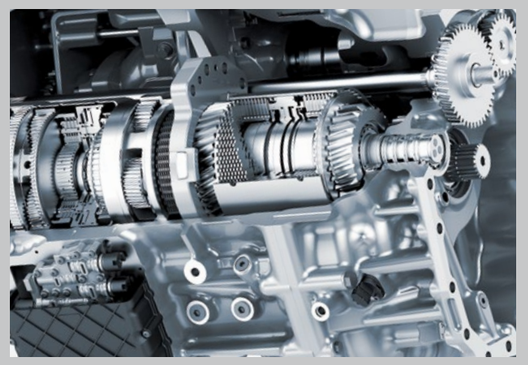

The 9340 TTV WARRIOR is the most powerful special WARRIOR model of all time. It enables contractors and farmers to efficiently and effectively tackle even the toughest jobs. One after another. Its mission is superior performance in every situation – both in the field and on the road. The 9340 TTV WARRIOR (336 hp/247 kW) is an ultra-modern, highly intelligent large tractor with supreme operating comfort, automated routine functions and the very latest technology. Every single component is extremely innovative and represents the best option on the market: from the 47,000-lumen work lights, comfortable MaxiVision 2 cab and iMonitor 2.0 to state-of-the-art precision farming systems, a highly efficient Deutz engine with cutting-edge exhaust technology and continuously variable TTV transmission for precise speeds from 0.2 to 60 km/h at reduced engine speed. Additional features include newly developed axle suspension, dry disc brakes, a lifting capacity of 12,000 kg, an electric opening hood and superb design. All of which helps you to finish your work before your work wears you out.

The comfortable MaxiVision 2 cab with iMonitor 2.0, automated routine functions and state-of-the-art precision farming systems. No job is too tough.

336 hp (247 kW) Deutz engine: top performance with cutting-edge exhaust technology. Helping you pull through any job.

Continuously variable TTV transmission with a speed range from 0.2 to 60 km/h at reduced engine speed. Perfect precision.

12,000 kg lifting capacity, 210 l/min pump output, three PTO speeds: designed to master any implement.

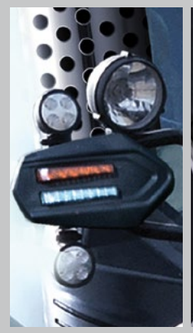

Exhaust with stainless steel trim (7250 TTV/9340 TTV)

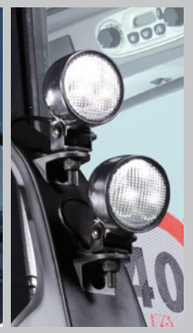

WARRIOR front LED lights and brilliant black finish (7250 TTV/9340 TTV)

WARRIOR roof LED lights (7250 TTV/9340 TTV) as standard

WARRIOR front/rear cab LED lights (7250 TTV/9340 TTV), optional

WARRIOR comfort seat (7250 TTV/9340 TTV)

Automatic climate control (7250 TTV/9340 TTV)

WARRIOR black floor mat (7250 TTV/9340 TTV)

Double-glazed rear glass (7250 TTV)

LED lighting for external controls (7250 TTV)

WHAT MAKES THE WARRIOR A WARRIOR?

In brilliant black or original DEUTZ-FAHR green, the DEUTZ-FAHR WARRIOR edition is designed for farmers and contractors who make the highest demands on themselves and their technology. For perfectionists who make no compromises, who do their utmost every day and never give up, even when conditions are tough. For individualists who want to stand out from the crowd and demonstrate their uncompromising attitude to the outside world. DEUTZ-FAHR has set a new benchmark in terms of technology, design, superior comfort in work, driving and managing implements, and individual special equipment. WARRIOR is more than a name for a limited edition high-performance tractor. WARRIOR is an expression of the character of whoever uses this machine at work. Driving a WARRIOR makes a statement: "I can do everything."
